

STUDY ABROAD SKILLS INVENTORY:

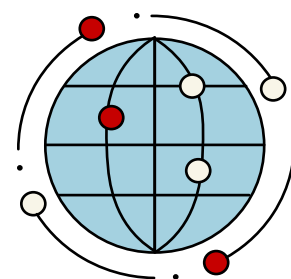

RELEVANT COURSEWORK

- o What courses did you take that relate to your field of study and/or career interests?
- o Did you work as part of team on a project? What was challenging about that?
- o How do you think these courses could assist you in the internship/job search and application process?

PROFESSIONAL & SOCIAL NETWORKS

- o Who did you meet? (Professors, host family, friends, etc.)
- o How will you remain connected with them? (Social Media, Email, etc.)
- o Who might have knowledge about a particular industry or career you're interested in?
- o Would they be willing to participate in an informational interview?

VOLUNTEER/INTERNSHIP EXPERIENCE

- o What stood out to you about this work environment? How was it different than past experiences?
- o What professional skills did you gain in this role?
- o How has your experience impacted your career goals?

FREE-TIME ACTIVITIES

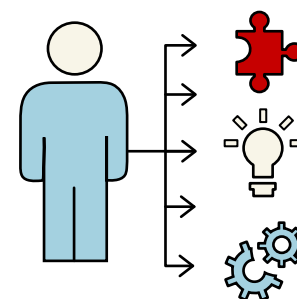

- o How did you choose to spend your free time? Why?
- o What new interests (career or personal) did you develop?

TRANSFERABLE SKILLS

Think about the following skills. How did you hone/acquire these skills? Provide specific examples of instances for each.

- o Demonstrate foreign language proficiency and command of local dialect
- o Navigate change and new environments
- o Exhibit self-Advocacy and self-awareness
- o Culturally-responsive communication
- o Implement creative problem-solving strategies
- o Collaboration across lines of difference
- o View situations from multiple perspectives and value systems
- o Develop global context including political, economic and social landscapes
